

- ♥ Hospice is about helping individuals and families live life to the fullest.
- ♥ Hospice will be a campus of care offering;
  - 10-private suites, with 24-7 specialized care in a welcoming home-like atmosphere
  - palliative care clinic
  - caregiver respite support
  - wellness therapies
  - grief and bereavement programs, and more...
- ♥ Each year, care will be provided to 500+ patients, caregivers and families in the home, community or at Hospice.
- ♥ Hospice will create jobs and strengthen healthcare in our community.
- ♥ Elgin is the only region in Southwestern Ontario without a Hospice.

Please help us build a Hospice for Elgin County
